  - Hired into the Computer Science department
- Became part of the School of Electrical Engineering and Computer Science with the merger in 1995

Graphics Example for Mani

1. Wow, that's a really grainy picture
2. But it sure is a good example for Mani
   (a) of how to save slide space!
3. Use option 't', 'b', or 'c' to control the alignment of the two halves (hard to explain, just try them)
